

Hi Everyone, We are pleased to announce we now have new bumper stickers available with the \$60,000 reward on them. If anyone is interested in getting some please contact any of our Family members and we will gladly get them too you. We call them our traveling Billboards. Just think how many cars are in the back of you in just the course of one single day! We need to keep Billy in the public eye!!!! Also on Billy's Website on the left hand column go to Flyers. Click on Flyers and that will bring you to the two Flyers and the mailing labels. All of these have been updated with the new reward amount. Please understand how important it is to post Flyers and use the mailing labels on your outgoing mail. If you click on Poster #1 or#2 you can open them up and then print it out. The next time you go out to a restaurant or convenience stores ask the owners if they would place Billy's Flyer in their business. You can also click on the picture of the mailing labels. All you need to do is get Avery 5160 labels, put them in your printer, open up the program by clicking on the picture of the labels and let them print out. Can you imagine how many people would see Billy's Missing Info on your outgoing mail as it makes its way to its destination? It is a really important tool in finding a missing person. Also when you send a package out to be shipped tape one of Billy's Flyers to the box. All these things help keep Billy in the public eye!! Maybe by doing this we can get answers as to what happened on August,24,2004!! Someone or ones knows something!!!!!!!!!!We would like to thank-you in advance for helping. WE are not going to give up HOPE!!! PLEASE HELP US BRING BILLY HOME!!!!!!!!!! Warmly The Smolinski family
