SCHOOLS OF SILENCE
 BY JOHN HANCOCK

IF YOU'VE EVER BEEN TO A SCHOOL where the principal has been replaced by a community organizer, you know what I mean. It's not just the principal who's gone, it's the school itself. The school is now a place where people are learning to live together, to share, to care, to love. It's a place where people are learning to be good, to be kind, to be honest, to be brave. It's a place where people are learning to be who they really are.
